# DRESS FOR SUCCESS

IN COLLEGE . . .  
AND BEYOND

**See students from YOUR campus in an educational and entertaining fashion show! A proven crowd-pleaser.**

William Cane, image consultant and attorney, has helped college students, celebrities, and actors look good onstage, on TV, and on the job. A member of the Association of Image Consultants International, Mr. Cane was nominated 2001 Speaker of the Year by NACA. After a PowerPoint presentation and fashion show, he gives personal color and contrast analyses to audience members, together with wardrobe suggestions for business and social attire. Don't miss the fun . . . and the learning experience of a lifetime.
